ILS EAGLE NEWLETTER **May 7, 2021** www.immanuel-ed.org

The next two weeks are exciting weeks for our students and staff! We've figured out a way to give our students a taste of a field trip, touches of music, bits of drama, smatters of athletics, and lots of learning. As our year looks to wrap up, we pause a moment and look back at all we've been able to do. When we look at the year, we realize just how much and in how many ways we've been blessed! Praise God!

Today ends Teacher Appreciation Week at Immanuel! Your outpouring of love and care for us is humbling! You care for us well! We are so thankful for you and the partnership we have with you! Words can not adequately express our thanks! We praise God for you!

This weekend also marks Mothers' Day. Enjoy the weekend with those you love and who love you! Take time to say the words that need to be said, the thanks that needs to be given, and the celebrations that need to occur! We thank God for our families!

Finally, we're two weeks away from a successful completion of our school year. Another thank you doesn't seem enough to express our gratitude at the way you have supported us as we've traveled this year. The Bridge is upon us and there is a light at the end of the tunnel. We look to finish this year well and in school. We continue to be masked. We still socially distance, and we wash our hands! Finish strong. Finish well! Immanuel, we've got this!

God's Blessings,

Sue Domeier

Join us for the next few Sundays in Bible class as Pastors Yonker, Baerwolf and Glombicki share with us their favorite Bible verses.

We will spend some time reading and being inspired by these beautiful portions of God's Word as we gather together from 9 to 9:45 for the next six weeks in Bible study in Luther Hall B.

Pastor Meissner will also be leading a Bible class during that same time in Luther Hall C.

We hope you can join us for this wonderful fellowship opportunity—coffee and refreshments will be served.

General Music Class News

Chance to Shine—this is the last week to participate: Grades 1-5 have been enjoying the music our classmates are sharing! This week we heard some piano songs, listened to our friends sing solos and then sang along as they led us, heard some guitar riffs, and saw some really fun homemade instruments. Students who aren't performing or sharing practiced demonstrating good audience behaviors while they watched their peers perform.

This next next week is the last week for Chance to Shine…**so if your student wants to participate but hasn't yet turned in the form CLICK HERE please complete and send it in on Monday, May 10th.** Thank you.

Supporting Notes--Hanging Basket and Flower Sale…Thank you to all who ordered and made this such a successful sale! We are thrilled to report that because of the money we've raised there will be **NO** Gr. 5-8 Extra-Curricular Music fee charged to participants for the 2021-22 school year. YAY! Thanks so much for supporting Immanuel's music students!

Parents of Students EXITING Fifth Grade: Still have a recorder that your child won't use (we won't use the recorder in junior high music classes)? Mrs. Bartelt can always use extras…so if you are wondering what to do with that recorder, please consider giving it back to school for future students to use. Any recorder donations can be given to the church or school secretary. Thanks!

Parents of OUTGOING 8th Graders-- If you find that after your 8th grader graduates that your family will not be needing the maroon hymnal (Lutheran Service Book) your student used here at Immanuel, and it is still in reasonably good condition, please consider "recycling" it back to the school office. We will then make it available to a student/family for whom the cost of a new one for the next school year would create a hardship. Thank you.

Track at Immanuel for students in grades 5-8.
