MEMORY WORK

Tuesday: The Second Commandment: You shall not misuse the name of the Lord your God.

Thursday: What does this mean? We should fear and love God so that we do not curse, swear, use satanic arts, lie, or deceive by His name, but call upon it in every trouble, pray, praise, and give thanks.

ASK THE TEACHER

Q: My child was sick and now there's so much work to do! I know this isn't really a question.

A: If your child misses school due to being sick or a vacation day, please help us keep track of their work! We will work with them and give them grace in getting their late work completed. However, it does get difficult when we have a lot of students absent, so please give us grace too! Let's work together to get them caught up as soon as possible! Also, if they take late work home, please always have them bring it back the next day (finished and unfinished work). Thank you! We are blessed to partner with you in teaching your children!
