A little bit about our teachers...

Kindergarten Teacher, Mrs. Lori Anderson:

I am beginning my 16th year of teaching and I'm so excited! I have taught in Lutheran Schools in Texas and Illinois. I met my husband, Peter Anderson, right here at Immanuel and we've been married for 12 years. We have 3 kids, Lydia (5th), Ethan (2nd), and Adam (K). I love playing the piano, singing, being active and sharing Christ with my students. This is my first year in the main Kindergarten class and I'm eager and overjoyed to go on this journey with you and your child. My favorite part of teaching Kindergarten is watching the "light bulbs" click as they learn and discover new things!

K+ Teacher, Mrs. Gretchen DeWitt:

I have 22 years of experience teaching Preschool, Jr. Kindergarten, and Full-Day Kindergarten at Trinity Lutheran School in Roselle. I am married and have 2 adult children. I am the very proud grandma of a 7 year old granddaughter. My husband, son, and daughter-in-law are all teachers in Lutheran Schools. I am very excited to teach the children at Immanuel. The Kindergarten Plus program will be an exciting time for my students. We will be exploring, supplementing, and reinforcing skills taught in Kindergarten. We will be using all our senses to become involved in reading, writing, math, social studies, science, and religion learning experiences. I am looking forward to a wonderful year where all children will love to learn with Jesus by their side.
