

FAUROT'S FRIDAY

FACTS 😊 12/01/17

Blessed Advent!!

We made a giant Advent Wreath and learned why this season is so special. We also shared "traditions" our families have for Christmas!

Our science/literature focus this week was bears. We read a variety of fiction and non-fiction books...our favorite was Hibernation Station.

We have started sorting, identifying, and counting coins!

Our room is decorated for Christmas but our hallway needs art. Next week we will create some beautiful Christmas Decorations!

JOY and PEACE,

Mrs. Faurot
