

## 2018-19 CHAPEL HYMN/SONG SUGGESTIONS

Following are suggestions for hymns and songs to consider using at chapel services this year. Songs on this list are ones used regularly in Immanuel's worship services and also intentionally taught in weekly choir classes with Immanuel's younger students. To obtain music and/or an already typed word file of lyrics for hymns and songs on this list, contact Kris. Remember, she *also* has copy ready lyric files of *many* other songs and hymns "ready to go" on her computer. Just ask and she'll email the files to you so you can use them if making a chapel sheet for students.
