

Immanuel Hot Lunch Program

Aramark Food Service® provides for Immanuel's hot lunch program. Menus come pre-set from the Aramark® office. Immanuel offers two "hot" entrée options each day. In addition, we offer a cold sandwich option daily, either ham or turkey and cheese or PBJ. The full tray lunch includes one entree and two sides (can be a fruit and veggie, two fruits or two veggies). Parents deposit money into the child's hot lunch account and charges are deducted when the child buys lunch. Students are able to choose their entree in the morning and may also purchase extras such as juice or pretzels. **Please watch for any information in the weekly School Newsletter regarding hot lunch.**
