WORSHIP

We are cancelling all of Immanuel's public worship services until further notice. We will continue to provide worship opportunities via our Livestream for you and your family. We will be broadcasting a midweek Lenten worship on our Livestream beginning at 11:00 Wednesday morning.

These Lenten worship services will be shared on our 8:00 Sunday morning radio broadcast on WRMN 1410. Instead of gathering for worship on the weekend we will share via Livestream a worship service at 10 AM each Sunday morning which you will be able to view from your own home or mobile device. This worship will include both traditional and contemporary music and will feature the sharing of Scripture, prayer and confession as well as a sermon from one of our pastors. As always, these worship services will be archived on Livestream for you to watch when it's convenient for you.

While we honor and respect the choices made by our government and health officials as directed in the Fourth Commandment we also remember the Third Commandment which directs us to honor the Sabbath Day and keep it holy. We hope many of you will use these Livestream worship opportunities and radio broadcast as a vital part of our life together as the body of Christ.
