Cut and Paste Windows

.....
Cut out and paste the objects onto the matching spaces to complete the picture. Color the picture.

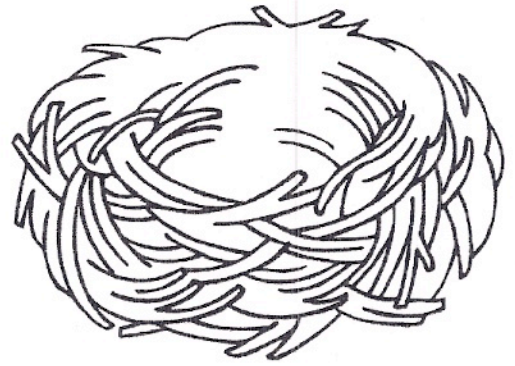

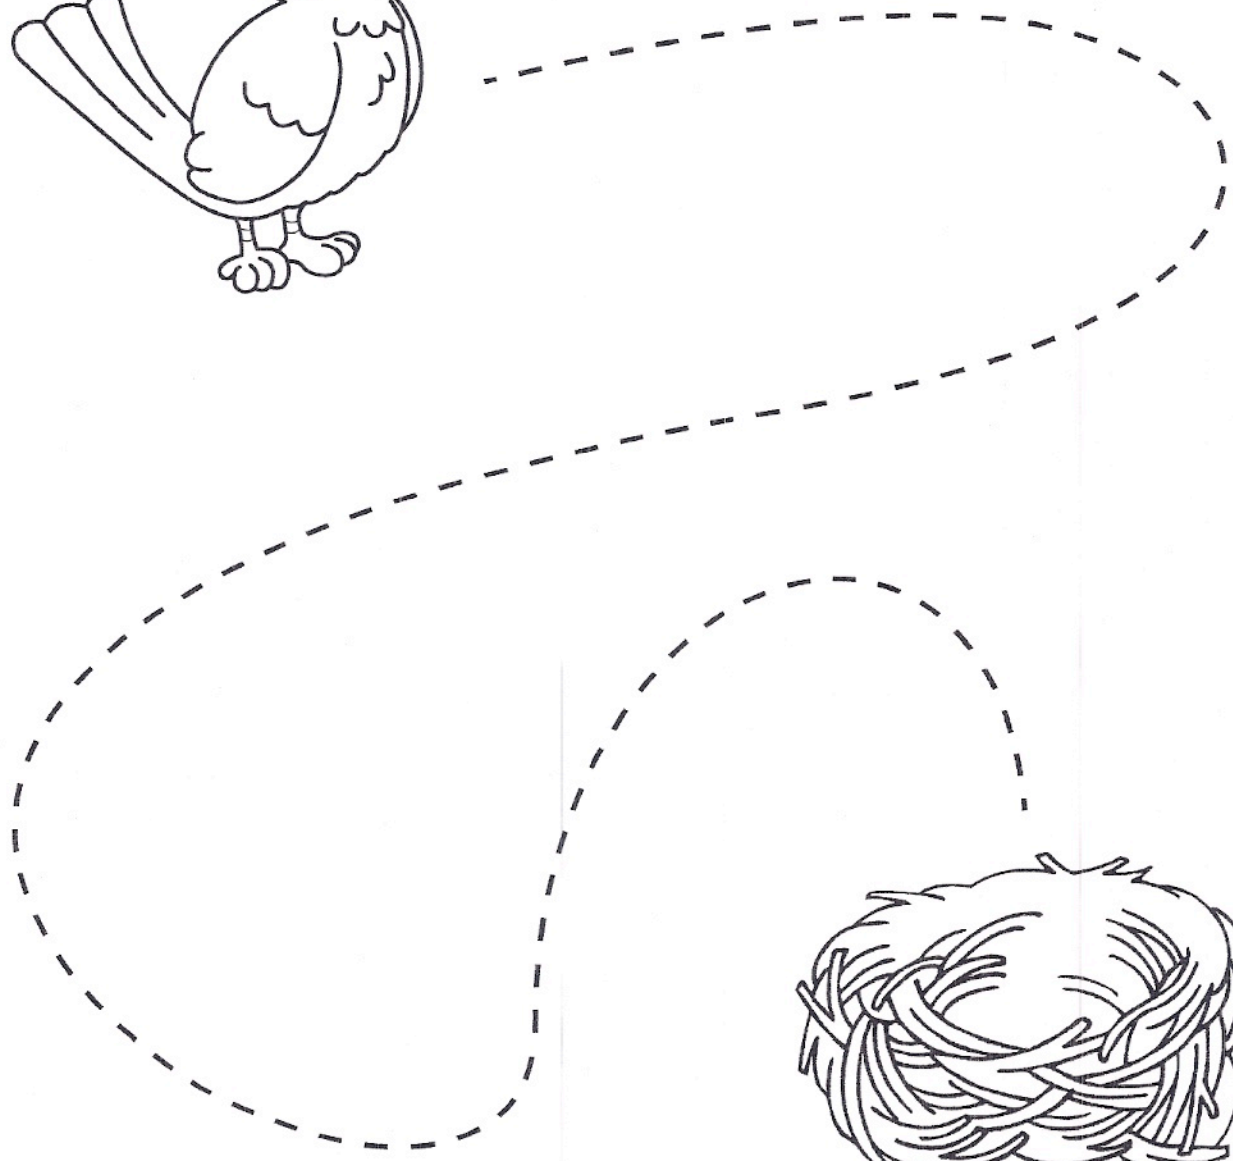

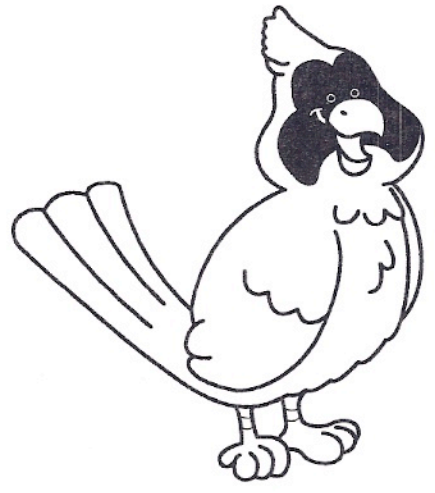

Name _____

Tracing Curved Lines

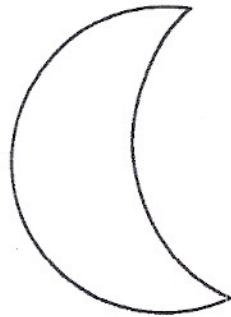

Trace the dotted line to help the bird find its nest.

Name _____

Writing and Counting to One

Count and color the moon. Practice writing the numeral and number word.

one moon

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line. There are three vertical dashed lines extending from the top line to the bottom line, creating four columns for writing practice.

one one

Circle and color one star.
