

Name _____

Trace the letters.

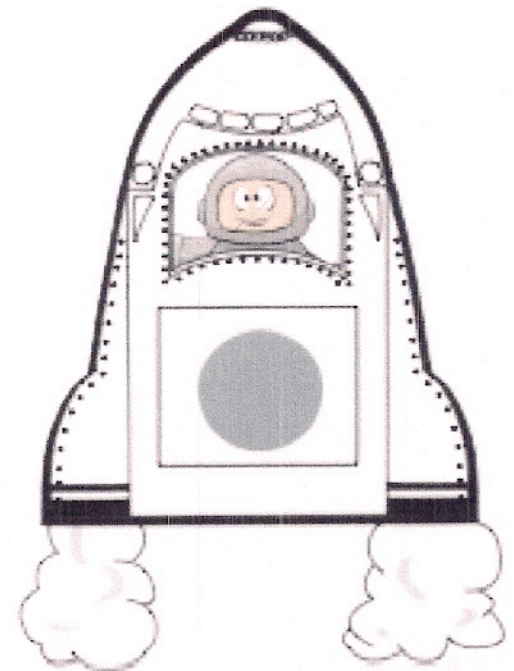

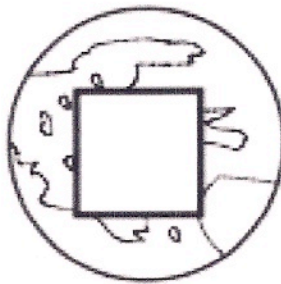

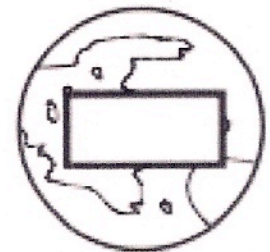

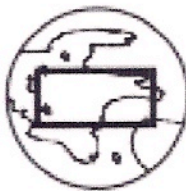

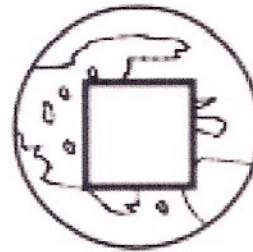

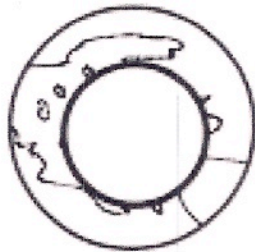

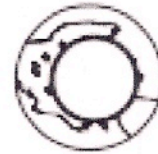

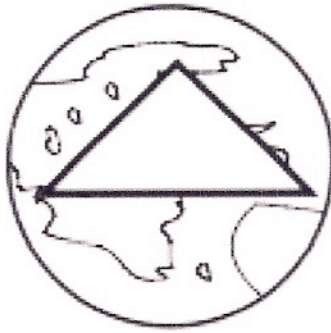

Over and Under

Color the pictures. Then cut and paste the pictures over or under the tree.

Help the astronaut on his mission in space. Color all of the circles in the planets yellow. Then with your pencil, fly the spaceship to each planet with a circle. Circle around the planet before you fly to the next one.

Name: _____

Writing Number 11 to 20

Trace these numbers and write numbers in the empty boxes.

11	11	11	11	11	11					
12	12	12	12	12	12					
13	13	13	13	13	13					
14	14	14	14	14	14					
15	15	15	15	15	15					
16	16	16	16	16	16					
17	17	17	17	17	17					
18	18	18	18	18	18					
19	19	19	19	19	19					
20	20	20	20	20	20
