

ILS MUSIC AT A GLANCE

2025-26 INFO FOR GR. K-4 FAMILIES

It's going to be a great year in music class! Student musicians will be moving, creating, listening, singing, playing games, responding, practicing, performing, exploring and more.

Plans are underway to make music for others outside our classroom walls this year as well. You'll see some of the "usual" kinds of dates included below, such as singing at one Immanuel worship service each quarter and leading the annual K-8 Christmas service. Teachers are also planning to try some new things this year... so we ask that you "stay tuned" and watch for additional details in the weekly school newsletter, classroom newsletters and notes, social media and more. Let the music making begin!

AUG.
