This week in music class we will continue to work on our songs to present in worship on December 7. Then we'll continue with ear training by practicing solfege (do-re-mi) interval skips. After that, we'll learn some new warm-ups and then, it's on the fun stuff. We'll sing and dance to our new song, "Never Be the Same", learn a new silly song called "My Poor Hand is Shaking". After that - and back by popular demand - we'll play and sing "Apple Tree" with instruments!
