Student-led Conferences

MARCH 2-4
20-minute conferences

WHAT TO EXPECT: Your child will walk you around stations in Mrs. Anderson's classroom. They will show you what they've learned, where they need to improve, and tell you what they love about Kindergarten!

WILL WE MEET PRIVATELY? No. Your child will be with us the whole time. If you would like a more private meeting, please let us know and we would be happy to schedule a separate time to meet with you.

CAN YOU BRING SIBLINGS? Yes...**HOWEVER...**in our experience, the Kindergarteners really love it when they get this one-on-one time with parents. But, we know that siblings may need to come, and they truly are welcome. We completely understand. Just be sure to focus on your Kindergartner 😊

We love this class! They are creative and joyful and they love to learn!

However... 😊 ...we seemed to have regressed with some of our self-control and respect for one another.

In the next few weeks, you may hear about a few more "time outs" or "removal" from an activity. This is simply our way of reminding your child to "check" how they are responding to classmates or teachers.

You can support us at home by also expecting your child to be responsible for age-appropriate things and being respectful to the people in their family.

Also, please remember that there are two-sides to every story. So please reach out to us if you have any questions.
